ATLAS-LIC-004 – VERSION 4

SYNTHETIC DEMONSTRATION DOCUMENT – NOT LEGAL ADVICE

Candidate version: 4
Supersedes version: 3
Effective date (ISO 8601): 2026-08-01
Governed source: vendor_demographics_raw

CHANGED DATA-USE OBLIGATIONS

Internal analytics remains allowed.

Machine-learning training is prohibited.

Customer redistribution is prohibited.

Previously created anonymized derivatives require human review.

This deterministic synthetic fixture states the policy delta.
Covenant does not infer a novel legal conclusion.
